KDC FOUNDATION

The KDC Foundation has been established in an effort to preserve the memory and celebrate the life of Kevin D. Cooney.

Its Mission is two-pronged, to help fund Cystic Fibrosis Foundation research efforts in finding a cure for CF, and to support individuals pursuing their Catholic education at Marquette University.

These two beneficiaries of the KDC Foundation played important roles in Kevin's life and we hope to honor him by continuing the fight for a cure, and by making Catholic education more accessible through financial support.

ABOUT THE EVENT

The KDC Invitational is dedicated to the memory of Kevin Doyle Cooney - aka KDC. Kevin fought challenges of Cystic Fibrosis for over 30 years.

This event is to honor Kevin while doing some of the things he loved most- spending time with his friends and family and playing golf.

In 2023, the inaugural event raised over \$95,000 for the KDC Foundation thanks to the generous support of our family, friends and community. We look forward to another successful outing on September 20, 2024.

There are close to
40,000
children and adults
living with Cystic Fibrosis
in the United States

KDC Invitational raised over
\$95,000
in its inaugural year.

In 2023, the Cystic Fibrosis
Foundation funded more than
\$286M
in research and care.
